

FORENSIC INCIDENT INVESTIGATION REPORT

Incident ID:	80926f83-2046-4c7e-b0ea-f384135505a6
Filing Timestamp:	2026-07-29 10:59:38 UTC
Target URL:	https://amazon.in
Risk Score:	0/100
Verdict Decision:	Legitimate Website
Recommendation:	SUSPICIOUS

Explainable AI (XAI) SOC Findings

The website appears to be a legitimate Amazon India website based on the provided evidence.

Threat Auditing Logic Steps:

- The website has a valid SSL certificate issued by Amazon, indicating a level of authenticity.
- However, the favicon URL points to Google's favicon service, which may indicate a potential issue with the website's branding or configuration.
