Filing Timestamp:	2026-07-29 10:41:10 UTC
Target URL:	https://yotube.com
Risk Score:	0/100
Verdict Decision:	Legitimate Website
Recommendation:	SUSPICIOUS

Explainable AI (XAI) SOC Findings

The website appears to be a legitimate domain with a valid SSL certificate, but it exhibits suspicious behavior due to a 302 redirect.

Threat Auditing Logic Steps:

- The website exhibits a 302 redirect, which may be a sign of a malicious redirect.
- The favicon extraction indicates that the website is using a Google favicon, which may be a sign of a legitimate website.
